MOVING FORWARD

MCSD is making great strides to create an environment that meets the needs and enriches the lives of all learners through interventions and the expectation of excellence in and out of the classroom. We offer a wide variety of coursework and extracurricular activities to allow students to challenge themselves and find their passion. The Cardinal Culture is one that sponsors success, good sportsmanship, and creative citizens for now and for the future.

JOIN THE

Cardinal Culture

Cardinals train their minds and their bodies. They believe in a culture of excellence in all aspects of their lives:

- In the classroom
- In clubs and sports
- In conduct and citizenship

EXTRACURRICULAR OPPORTUNITIES

MCSD is always looking to improve. We offer the latest educational techniques and skills-based instruction. Students have opportunities to take part in many programs at MCSD, such as:

- Education Leadership for high school students to work in school buildings across the district
- Service learning opportunities through Student Senate, National Honor Society, club hOpe
- Music, band, vocal, flag corps
- Sports, Cheerleading, Dance Team
- Business Professionals Association (BPA), FFA, HOSA – Future Health Professionals, Fellowship of Christian Athletes (FCA)
- Project LEAD THE WAY units in grades 3-12
- Enrichment Opportunities – Lego League, Bridge Building, Mock Trial
- STEM Opportunities – cubelets, spheros, VREX, coding, engineering
- Instructional coaches in every building

PROFESSIONAL LEARNING COMMUNITIES

MCSD teachers are constantly working to make their teaching better and provide better outcomes for students. Professional Learning Communities provide collaboration and communication with their colleagues from within and beyond the district.

We have rigorously implemented the Iowa Core State Standards with a strong focus on 21st century skills so students will be prepared to face the changes and challenges of an advancing world. We also have a strong partnership with Eastern Iowa Community College (EICC) offering many dual enrollment classes.
